

Lincoln Landscaping Container Inspiration Gallery

"We Dig Plants"

At Lincoln Landscaping, our designers take great pride in creating incredible containers and baskets. No matter what your budget, taste or experience, our professionals can help you create and maintain a colorful addition to your patio, deck, balcony or entrance. Call today for more details!

Bands of Gold

A colorful collection of reds and golds to transport you to the tropics. Even if its as close as your own back yard.

Ring of Fire

A light and airy focal point surrounded by a bright band of yellows and oranges will heat up your outdoor living space.

Black Velvet

The deep contrast of a dark purple backdrop with bright yellow accents really makes this container a show stopper.

Country Garden

With textural trailers and whimsical color, this container gives you a country feel.

Breezy Shores

Remincent of the seashore, this flowing container makes a splash wherever you decide to place it.

Crescendo

Bold color throughout the season gives this container an ever increasing sense of fun.

California Dreamin

This colorful container gives you the excitement of the beach. Your eyes will ride the waves of color as your mind conjures visions of the coast.

Crowning Glory

This container has a tall central shrub with a "crown" of color surrounding its base to make you feel like royalty.

City Tower

With a central shrub focal point, this container gives you the height needed for structural interest in tight places.

Dancing in the Isles

Playfully swaying grasses with gracefully trailing color, gives this container a standing ovation.
